Introduction

The commitment to private art collections has grown rapidly over the past few years. The desire of companies to share the treasures with the public has been a natural consequence, hence the initiative Private Art Kirchberg. On this day, the participating companies transform their buildings into a public space and enable art and architecture lovers to have a look at usually hidden treasures.

Look over the institutional art collectors' shoulder while they explain to you during the guided tours why and how they collect.

Introduction

Les collections d'art privées se sont très rapidement développées ces dernières années et le désir des entreprises de les faire partager au public a naturellement suivi. C'est pourquoi l'initiative Private Art Kirchberg a été lancée. Ce jour-là, les entreprises participantes transformeront leurs édifices en un espace public pour permettre aux amateurs d'art et d'architecture de prendre connaissance de ces trésors habituellement cachés.

Observez les collectionneurs institutionnels à l'oeuvre et apprenez lors des visites guidées pourquoi et comment ils collectionnent.

Einführung

Das Engagement in private Kunstsammlungen ist in den letzten Jahren stark gewachsen. Damit verbunden ist der Wunsch der Unternehmen, die Öffentlichkeit daran teilhaben zu lassen. Darum auch die Initiative Private Art Kirchberg. An diesem Tag verwandeln die beteiligten Unternehmen ihre Gebäude in einen öffentlichen Raum, um Kunst- und Architekturliebhabern einen Einblick in sonst verborgene Schätze zu geben.

Schauen Sie den institutionellen Sammlern über die Schulter. Erfahren Sie in den angebotenen Führungen, warum und wie gesammelt wird.
